“STORIES from the STREET”

~ Dinner Series ~

Who:

Sponsored by **“A Place to Call Home”** (a group initiative formed by this year’s Leadership Greater Rochester class) and local Rochester restaurants in support of local youth experiencing homelessness. LGR is an annual course offered by the Rochester Area Chamber of Commerce. The program offers local citizens who are interested in learning more about the community an opportunity to make a difference and get involved.

What:

An intimate conversational dinner series with two local youth, hosted by a different restaurant each week for eight weeks. You can meet some of the youth we are working to help!

Why:

The Rochester school district has more than 170 self-identified homeless youth and the problem continues to grow. Most Rochester residents are unaware that youth homelessness is an issue. **“A Place to Call Home’s”** mission is to address the homelessness crisis facing our youth by increasing public awareness and encouraging community collaboration.

*100% of proceeds will go to transitional housing programs serving area youth.

When:

April 11

Hosted by Fagan Studios
Canadian Honker (6:00 – 7:30)
